

As we have now finished our Season I am able to report that as far as I can take it everything is in place for next season in terms of Fixtures, Event Rules ,and a Provisional Event Calendar .

I have also done a statement of account for our year end.

These have all been approved by our Management Committee.

Fortunately we have been able to maintain an opening balance slightly higher than last year at £765.14p

Should anyone wish to see the Statement of Account please let me know and i will send one out to them .

However it will be posted to the website under Minutes and Statements early in November when my friend and Webmaster returns from France .

Based on this figure I can confirm that there will be no increase in fees and the Prize Money will remain the same.

Mike Beckett will transfer everything to his site later in the year once he has finished his Summer Leagues .

On that note our thanks to Mike for his help and the use of his system without it we would not be able to operate at this level .

I have not received any correspondence or Notices of Motion etc so I can only assume that we are good to go for next Season .

However should you have any queries please come back to me by email at [fedbowls@gmail.com](mailto:fedbowls@gmail.com) or give me a call on 07860358283.

Thanks to everyone for your input and support .

And my thanks to the Management Committee ,Volunteers and the Officials and Staff at the venues we have used over the Season .

I will continue to update you with any information I receive from BCGBA and how the proposed changes in Governance may affect us if at all .

Please notify me of any contact detail changes and if anyone within their organisation wishes to be added to our mailing list .

I need to thank all our Sponsors for their continued support both for this year and for 2024 .

Finally for now I trust you will accept this brief report as under our Bye Laws and Constitution and confirm that you accept its content .

Very best regards
